WHY SUPPORT LOCAL?

"Local business is essential for our economy. They bring growth and innovation to our communities. They provide employment and create entrepreneurship opportunities and support the local economies, communities and neighborhoods. They also care about their community.

They know their customers by name; they are our neighbors and friends. They are what make our towns special and unique. Most are feeling a financial strain right now, and are worried about the future. But if you need to buy something, try your local store first." - Liz Frazier, Forbes

THANK YOU FOR SUPPORTING LOCAL BUSINESSES

#LIFTUPLocal

Consider our 2020 iBall business partners for your corporate gifts or personal thank yous. Remember #LiftUpLocal when shopping for your friends and family during the holidays.

You can continue to support these local businesses throughout the year. Many of these businesses have retail locations across Tampa Bay or websites that allow items to be shipped locally.
